BEFORE WE START

**This page doesn't exist.
Pages like it are everywhere.**

I built it from patterns I see on coaches' pages every week.

No real coach. No real name. Just the leaks.

HOW AN AUTOPSY WORKS

I read your page like a stranger with money.

Phone in hand. 5 minutes. Ready to pay for help.

Every time I stop and think “hmm”, that’s a leak.

LEAK 1 OF 4

A BIO THAT SAYS NOTHING

WHAT I SAW

"Business coach | Speaker | Author. Helping you unlock your full potential. DM for coaching. Limited slots!!!"

WHAT A BUYER FEELS

Unlock my potential how? Coaching for who?
"Limited slots" for what? I still don't know if you're for me.

LEAK 2 OF 4

NO OFFER ANYWHERE

WHAT I SAW

**The last 3 posts: "Believe in yourself."
"Masterclass loading..." "Rise and grind."**

WHAT A BUYER FEELS

Nice quotes. But I can't tell what you sell,
what it costs, or when it starts. So I assume
it's not for me.

LEAK 3 OF 4

QUOTES, NOT STUDENTS

WHAT I SAW

Highlights: Me, Quotes, Events, Books. Not one student result.

WHAT A BUYER FEELS

Motivational quotes are everywhere. Proof that you've helped someone like me is nowhere.

LEAK 4 OF 4

7 DOORS IN THE BIO

WHAT I SAW

One Linktree. Seven buttons. Two WhatsApp numbers. A masterclass link from March.

WHAT A BUYER FEELS

Seven doors and no sign on any of them. So I pick none.

THE FIX, IN ONE AFTERNOON

Same page. 4 changes.

BEFORE

Business coach | Speaker | Author. Helping you unlock your full potential. DM for coaching. Limited slots!!! 7 links.

AFTER

I help new coaches sign their first 5 paying clients in 6 weeks. Student wins in highlights. Next cohort: 2 Nov. One link: join the waitlist.

Composite example.

RUN IT ON YOUR PAGE TONIGHT

The 5 minute autopsy

- 1 Read your bio out loud. Does it say who you help, the result and how to join?
- 2 Count your last 9 posts. How many mention your offer or price?
- 3 Find your newest student result. How old is it?
- 4 Tap your own link. How many taps to pay you?
