By Agoro Hassan Ajibola

Direct response copywriter, Lagos. I write sales pages, ads and
scripts, and build the pages people buy from.

WHY THIS EXISTS

Your first line is your shop front.

People decide to stop or scroll on the first line. If it doesn't earn the second line, nothing else you wrote gets read: not your offer, not your price, not your proof.

This is the scorecard I use to check a first line before I write the rest.

HOW TO USE IT

1. **Write 3 versions** of your first line. Never just one.
2. **Score each one** on the 5 tests: 0, 5 or 10 per test.
3. **Post the highest.** Below 30? Rewrite before you post.

40 to 50

Post it.

30 to 39

Fix your weakest test.

Below 30

Start again.

THE 5 TESTS • 0, 5 OR 10 EACH

01 EMOTION

Does it touch something they feel today?

0

Nothing to feel. Just information.

5

A mild itch: they nod, then scroll.

10

It names a pain or a want they felt this week.

WEAK

"Welcome to our page. We offer quality services."

STRONGER

"You posted 30 times last month. Nobody bought."

02 SPECIFICITY

Does it have a who, a number, a place or a real phrase?

0

Could be about anyone, anywhere.

5

One detail: a who or a number.

10

They can see themselves in it: who, what, where.

WEAK

"Grow your business today."

STRONGER

"Lagos real estate agents: 'DM for price' is costing you serious buyers."

THE 5 TESTS · CONTINUED

03 CURIOSITY

Does it open a question they need answered?

0

Says everything. Nothing left to find out.

5

A small question they could live without.

10

They have to keep reading to close the loop.

WEAK

"Tips for better sales."

STRONGER

"Your customers have a name for your price list. It isn't nice."

04 CREDIBILITY

Would a careful buyer believe it?

0

Sounds like a scam or a fantasy.

5

Believable, but nothing proves it.

10

Believable and backed: a real example, a real reason.

WEAK

"Make ~~£~~10 million in 30 days with this one trick."

STRONGER

"What changed when I rewrote one headline, and what didn't."

THE 5 TESTS · LAST ONE

05 URGENCY

Why read it now, not later?

0

Could be read next year.
Nothing changes.

5

Useful soon, but no clock.

10

A real reason it matters
this week.

WEAK

"Someday you'll need a better website."

STRONGER

"Black Friday is weeks away. Fix this
before you spend a naira on ads."

3 INSTANT FAILS · SCORE 0, NO MATTER WHAT

1. **A number you can't prove.** Fake results kill trust faster than a weak hook.
2. **A promise the post doesn't keep.** If the hook asks a question, the post must answer it.
3. **Words your customer would never say.** "Synergy", "leverage", "holistic". Write how they talk.

WATCH ME SCORE ONE

Same business. Two first lines.

BEFORE · 5 / 50

"Grow your business with our amazing real estate services."

Emotion **0** Specificity **0** Curiosity **0** Credibility **5** Urgency **0**

AFTER · 40 / 50

"Lagos real estate agents: "DM for price" is sending your serious buyers to the next agent."

Emotion **10** Specificity **10** Curiosity **5** Credibility **10** Urgency **5**

What changed: a who (Lagos real estate agents), a real phrase they use ("DM for price") and a loss they feel (buyers going to someone else). Nothing clever. Just specific.

Example written for this guide.
