I didn't invent "word salad".

Buyers said it, on Reddit, about a coach's sales page. I used their words, not mine.

That's how every Receipts post on this page is made.

WHY IT WORKS

**Buyers trust their own words
more than yours.**

When your page sounds like their own
thoughts, they feel understood.

Understood people buy.

DO IT IN 20 MINUTES

Mine your last 50 DMs

- 1 Screenshot the questions people ask most
- 2 Highlight the exact words they use for the problem
- 3 Save what students say after a win
- 4 Note what almost stopped them joining

EXAMPLE 1

Your words vs their words

YOUR WORDS

"Holistic transformational fitness coaching."

THEIR WORDS

"I want to climb the stairs at work without stopping to breathe."

Example lines.

EXAMPLE 2

Turn their question into your headline

THEY ASK

"Can I do this with a 9 to 5? I only have evenings."

YOU WRITE

"Built for people with a 9 to 5: 3 evening classes a week, all recorded."

Example lines.
