3 MOVES

Build the second sale.

- 1 A follow up list: every buyer gets a thank you and a next step
- 2 A second product: the next thing they naturally need
- 3 A higher tier: coaching, a done for you version, a bundle

RECEIPTS · 05

THE MATH

300 sales at \$3.82 is \$1,146.

One sale at \$1,278 beats it.

The money is in the second sale and the higher price.
