THE LEAK MAP

WHAT HAPPENS WHEN YOU BOOK A LEAK MAP.

And what it costs.

THE LEAK MAP

THE PROBLEM

Most coaches guess where the money leaks.

Then they pay for more ads, a new logo or a new website.

A Leak Map ends the guessing.

THE LEAK MAP

HOW IT WORKS

4 steps

- 1 DM MAP and send your links: page, sales page, WhatsApp, ads
- 2 I walk your path like a real student with money, from ad to payment
- 3 I mark every leak: message, trust, friction, follow up, measurement
- 4 You get your Leak Map in 3 working days

THE LEAK MAP

IS IT FOR YOU?

FOR YOU IF

You sell a program, a course, coaching or consulting. People sign up or ask. Not enough of them pay.

NOT FOR YOU IF

You don't have an offer yet, or you only want more followers.
