# MARKETER RED FLAG BINGO.

How many has your marketer ticked?

| RED FLAG BINGO      |                              |                      |
|---------------------|------------------------------|----------------------|
| 100 percent upfront | Keeps your logins            | No real examples     |
| 10x sales in 7 days | FREE SPACE<br>talks too much | Reports only likes   |
| Won't define a lead | 12 month contract, no exit   | "It's the algorithm" |

## SQUARE 2 · KEEPS YOUR LOGINS

**freeman95**

Nairaland · Dec 2017

Some even refused to give me my own cpanel details..... **Something I paid for**, cos I was a novice then... One even ran away with my 150dollars made from my old website, even stole my domain....

### SQUARE 3 · NO REAL EXAMPLES

**Reddit user**  
r/selfpublish

If you see a website with only a handful of work samples, that's a red flag. If you see no examples, that's an even larger red flag.

FREE SPACE · TALKS TOO MUCH

**Trustpilot reviewer**  
Aug 2026

They talk too much however they do nothing they promise!! Big disappointment.

THE SQUARE THAT COSTS THE MOST

**"10x sales in 7 days."**

Nobody honest can promise that.

Ask what they'll change, what they'll measure, and what happens if it doesn't work.
