HOW I SCORE A FIRST LINE

**I SCORE FIRST LINES
OUT OF 50 BEFORE I
WRITE THE REST.**

Here's the scorecard. Use it on your next post.

HOOK SCORE

WHY THE FIRST LINE

The first line decides if the rest gets read.

So I score it on 5 things, 0 to 10 each. 50 is perfect.

Here they are, with a weak and a stronger line for each.

Example lines are made up for illustration.
