|----------------------|---|--|
| 1 Message | "Unlock your potential." Nobody knows who it's for. | Line 1: who it's for and what they'll get. |
| 2 Trust | No face. No student results. Proof from months ago. | One proof a week: a student win, a sample lesson, your face. |
| 3 Friction | "DM for details." 7 links. A payment link that fails. | Price on the page. One link. 3 steps to pay. |
| 4 Follow up | "I'll join the next cohort." Then silence. | Messages on day 1, 3 and 7. A waitlist. |
| 5 Measurement | You can't say which ad filled your class. | One WhatsApp keyword per ad. Ask where they heard. |
