

LAGOS LOGIC

UMBRELLA SELLERS APPEAR 2 MINUTES AFTER THE RAIN STARTS.

Where are you?

He's not lucky. He's ready.

He looked at the sky this morning.

The umbrellas were in his bag before the first drop.

BUYING MOMENTS ARE FORECAST TOO

Your students' rain is on the calendar.

Salary week. Black Friday. New year goals.
The mid year reset.

They come every year. Most coaches still
launch when they feel ready.

The next 3 rains

Every month end

SALARY WEEK

Open enrolment when salaries land, not after they're spent.

27 November

BLACK FRIDAY

Fix your leaks now. Build your waitlist before the traffic comes.

1 January

NEW YEAR GOALS

Fitness, money, career, business. Your waitlist should be full by mid December.

YOUR LAUNCH CALENDAR · 2 OF 2

The rains after that

**February and
March**

RAMADAN AND LENT

Discipline and habit programs.
Launch before they start, not during.

July

THE MID YEAR RESET

"Half the year is gone" is a real
feeling. Offer a 90 day sprint.

September

BACK TO ROUTINE

New terms, new goals. A good time
for cohorts that start in October.

Check exact dates each year.

BE READY

**The next rain: Black
Friday, 27 November.
Then January.**

**Be the umbrella seller, not the one running
for cover.**

Save this calendar. Follow for the Black Friday series.
