THINK ABOUT IT

**Nobody turns back at Ojota
because the traffic is heavy.**

You wait. You inch forward. You get there.

BUT WITH YOUR BUSINESS

Three weeks of posting. No sales. You stop.

New offer. New logo. New niche.

Back to the start of the traffic again.

STAY ON THE ROAD

What to do instead of quitting

- 1 Keep the same offer for 90 days.
- 2 Change one thing at a time: the hook, the price, the page.
- 3 Count what happens after each change.
- 4 Talk to 10 people who almost bought.

YOUR TURN

**How many weeks have
you been posting?**

Comment the number. No shame.

Save this for the week you want to turn back.
