BLACK FRIDAY MATH

**DISCOUNT OR BONUS?
DO THE MATH BEFORE
YOU SLASH YOUR PRICE.**

Agoro Hassan

@hassanconverts

MONEY MATH

THE EXAMPLE

A ₦75,000 program. You're thinking of 30% off.

That's ₦22,500 gone from every single sale.

Sell 10 and you've given away ₦225,000.

Example numbers.

@hassanconverts

MONEY MATH

SAME PROGRAM, TWO OFFERS

Which one protects you?

30% OFF

~~₦~~52,500. Buyers learn to wait for your next sale.
Your full price now looks too high.

FULL PRICE + BONUS

₦75,000 plus a 1:1 review call and a template pack.
The bonus costs you time, not cash.

Example.

MONEY MATH

A GOOD BLACK FRIDAY BONUS

Check it against these 4

- 1 It costs you little to deliver.
- 2 It's worth a lot to the buyer.
- 3 It speeds up their result.
- 4 It disappears after the deadline.
