WHY A WAITLIST

A surprise sale sells to whoever is awake.

A waitlist sells to people who already raised their hand.

They're waiting for you before you've even opened.

THEN

What to send after YES

- 1 Thank them. Tell them the exact date and time doors open.
- 2 Two days before: a short reminder with what they get.
- 3 Doors open: send the link to the list first.
- 4 Last day: one kind reminder. No pressure.
