

FOR COACHES AND COURSE CREATORS

NOBODY ENTERS A ONE CHANCE BUS.

So why does your funnel look like one?

THE 5 SECOND CHECK

Before anyone pays for your program, they check if you're real.

They don't tell you. They look at your page, your ad, your sales page, and decide.

No signs? They're gone. And they won't DM to tell you why.

Here are the 7 signs they look for.

01

SIGN
A FACE

WHAT THEY LOOK FOR

A real human behind the offer.

THE FIX

Show your face and your voice. Teach one real thing on camera.

SIGN
REAL RESULTS

WHAT THEY LOOK FOR

Proof that someone like them got somewhere.

THE FIX

Share student wins with their permission:
screenshots, voice notes, first names.

03

SIGN
A CLEAR PROMISE

WHAT THEY LOOK FOR

What exactly they get, and by when.

THE FIX

"6 weeks. 12 live classes. You leave with your offer and your sales page ready."

Example line. Promise what you deliver, not what you hope.

04

SIGN
A VISIBLE PRICE

WHAT THEY LOOK FOR

A price they can see without begging for it.

THE FIX

“DM for details” makes people think the price changes with the person. Show it, or a starting price.

05

SIGN
A REAL PERSON

WHAT THEY LOOK FOR

Somewhere real they can reach you.

THE FIX

Your full name, your city, a WhatsApp number. Reply the same day.

06

SIGN
HONEST URGENCY

WHAT THEY LOOK FOR

A deadline that is real.

THE FIX

No countdown timer that resets every visit.
Real start dates, real seat limits.

07

SIGN
A WAY OUT

WHAT THEY LOOK FOR

What happens if it's not for them.

THE FIX

Your refund policy in one line. Hiding it looks like one chance.
