THE USUAL LINE

“Sales are just slow this month.”

Are they?

Or do you not know where last month's sales came from?

WHEN NOTHING IS COUNTED

**Every good month feels like
luck. Every bad month feels
like a curse.**

Both are just numbers you didn't write down.

TURN LUCK INTO A PATTERN

3 things to count

1

One question on every signup form: "Where did you hear about us?"

2

One WhatsApp keyword per post or ad, so you know which one brought them.

3

One sheet you fill every Sunday: who asked, who paid, where they came from.
